

# TEAM ECO

Attrezzature per lavori a bassa quota - ALLUMINIO  
Equipment for low altitude - ALUMINIUM

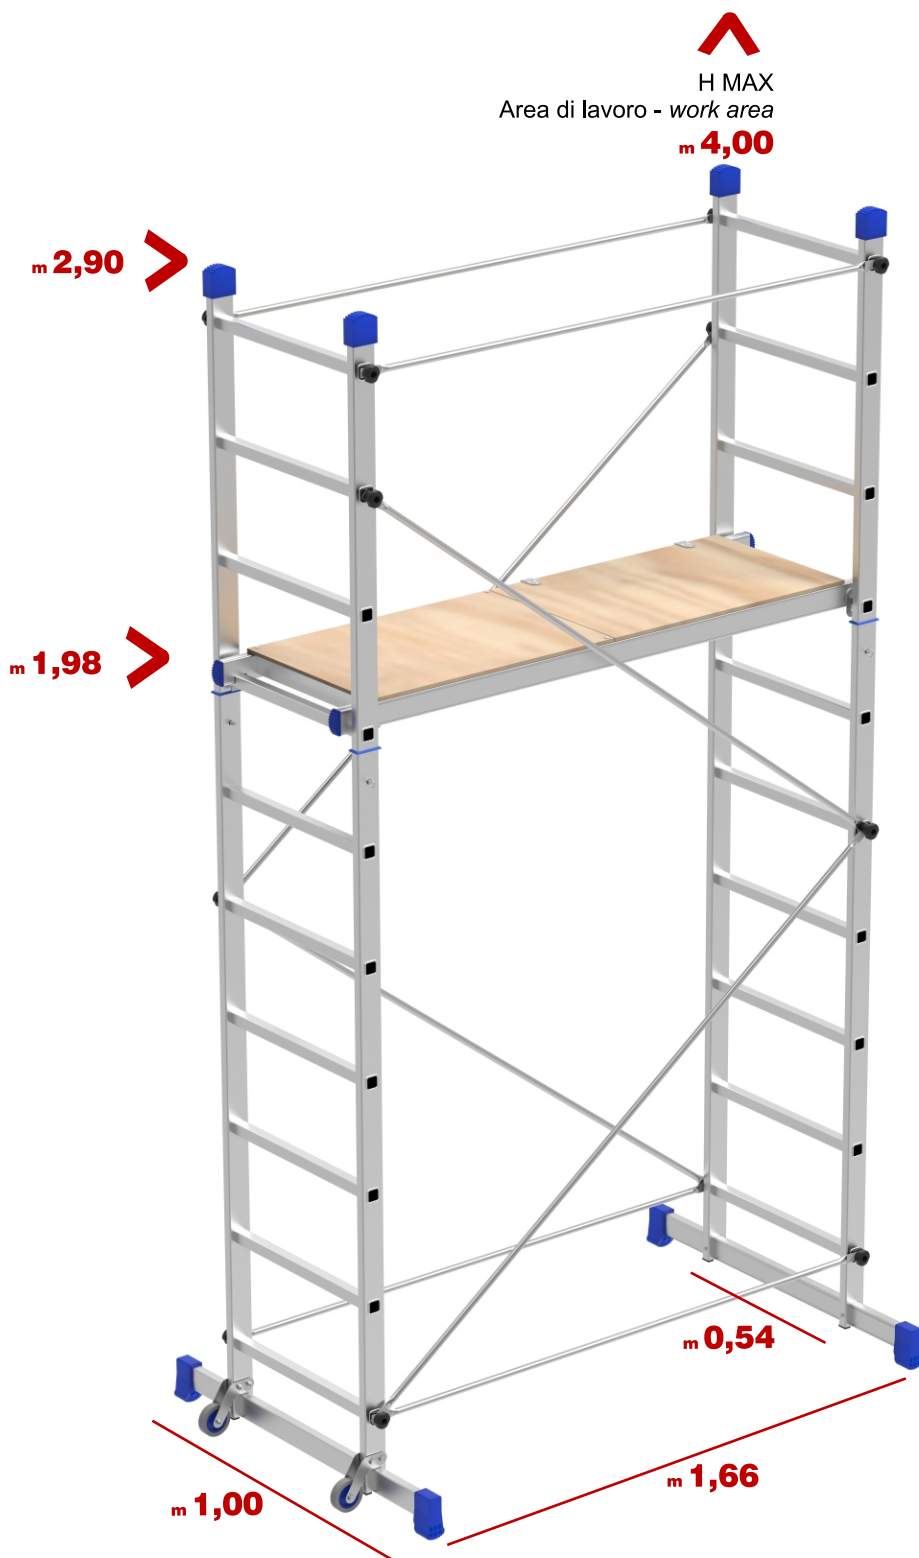

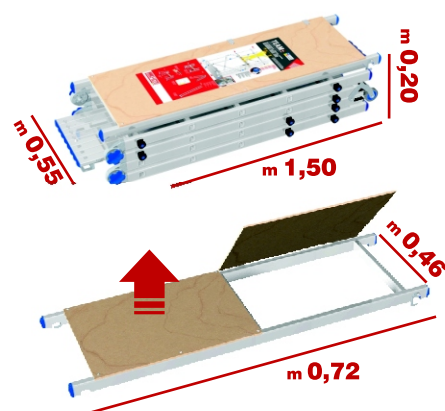

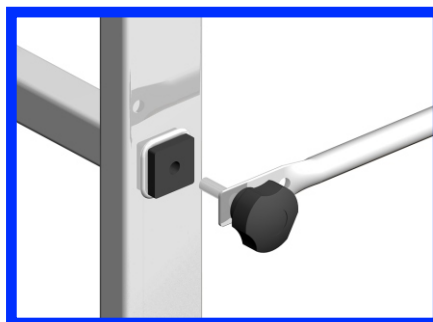

In alluminio, rapido e facile da montare grazie all'innesto che agevola la connessione.

Le due basi stabilizzatrici ne incrementano la stabilità.

Facilmente spostabile tramite le due ruote.

*In Aluminum, quick and easy to assemble thanks to the junction which facilitates the connection. The two stabilizer bases increased stability, easy to move through the two wheels.*
